

Foreign Rights

UPDATED JULY 2026

Amsterdam Publishers is the world's leading publisher of Holocaust memoirs and true stories — first-hand survivor accounts and the testimonies of their children and grandchildren, with more than 150 titles in print. We welcome enquiries from foreign publishers interested in translation and territory rights.

AVAILABLE FOR TRANSLATION

The full catalogue is open for foreign rights, including titles already translated and published. Several titles exist in other languages as Amsterdam Publishers editions; these remain available to a foreign publisher who can bring dedicated local marketing and distribution to the title. Only the specific languages listed below have been licensed elsewhere.
